Drawing one of the largest audiences ever to attend an exhibition at the Pan American Art Gallery in Dallas, Texas, the International Guild of Realism exhibition was held during the months of March and April 2005. The guild promotes realism in contemporary artwork, with a worldwide membership that includes portraitists, still life and landscape artists and others who judge the quality of their efforts by the truthfulness in their depictions. The five award winners are shown here.

SCOTT ROYSTON,
Baltimore, Maryland
Finding the Center of Interest
17 x 14" (43 x 36cm), oil
